Dear New Patient:

On behalf of Sibley Memorial Hospital, welcome to the Sullivan Center for Breast Health. We are dedicated to providing you with excellent medical care with the highest compassion. Our goal is to make the best treatment plan for you.

On the day of your initial consultation please bring the following:

- Copies of 3 years (including current year) of mammogram films including reports
- Copies of any ultrasound images (including current year) done in the last 3 years including reports
- Copy of recent MRI on a CD
- Copy of pathology report of any breast biopsy performed in the last 5 years. Pathology reports should include final addendums with ER/PR and HER2 status if appropriate.

The mammogram films, ultrasound films and MRI contain important information to be reviewed during your consultation and vital to developing the best plan of care for you.

In addition to the images please bring the following:

- Insurance card
- A form of identification such as a driver's license
- Co-pay
- Completed forms from the Sibley website

If you have down loaded forms from the Sibley website, please have these forms completed prior to your arrival to the office. Plan to arrive 15 minutes before your appointment in order to check in. Parking is available at the Sibley Hospital garage and the Renaissance Parking lot off of Loughboro Road for approximately \$10.

Please let the office know if you need any assistance in preparing for this appointment. We look forward to meeting you and thank you for entrusting the Sullivan Center for Breast Health with your care.

Sincerely,

Colette Magnant, M.D., F.A.C.S.
Breast Surgical Oncologist
